

Industry Partner Membership Benefits

IREM SF Industry Partners is an exceptional marketing opportunity for sponsors. It is an exclusive invitation for sponsors to access the professionals that provide services within the real estate management industry. Unlike other organizations, this sponsorship is limited to three sponsors per industry. Due to this limitation, we suggest signing up soon. Following are some of the events and benefits:

- **Luncheons.** As a sponsor, you have access to the quality events offered throughout the year and recognition at each event. You will meet managers and professionals within the management industry; many of which are the decision makers for their organization.
- **Website Presence.** Your company will be listed on the Industry Partners page of our website with a direct link to your company's site. Industry Partners are featured on a rotating basis on the home page.
- **Networking Events.** As a member you will be invited to participate in a signature trade in special networking events such as property tours, mixers and a Napa Valley wine tour. This is a good opportunity to network with property management professionals.
- **Annual Trade Show Event.** As a member you will be invited to bring your marketing materials and participate in a signature trade show event hosted and planned by our Industry Partners. This is a good opportunity to network with property management professionals.
- **Educational Course Sponsorships.** IREM offers many educational courses throughout the year. Sponsorship of the courses is an ideal way to expose your company to seasoned and new professionals within property management.
- **Marketing to Managers.** You will receive an invitation to a session on how to market to the property management industry.
- **Ongoing Staff Support.** Our administrative team is always willing to assist you with special promotions and needs.
